Message from Mark Coure

It is an honour and privilege to represent the people of Oatley in the NSW Parliament.

I am proud of what the NSW Government and I have been able to deliver for our community and will continue to work hard to ensure our community is represented and has access to quality services including policing, public transport, improved road networks, great local schools and health care.

I welcome your thoughts and feedback, about what is important to you and your family, and encourage you to complete the enclosed community survey.

If you require assistance with any local or state matter please do not hesitate to contact my office.

Yours sincerely,

A handwritten signature in black ink that reads 'Mark Coure'.
